Deeply appreciate the dedication,unwavering support you give towards all the people who have come in contact with you. You always bring the best in anything, be it requirement gathering, be it issue fix, be it imparting knowledge to your peer, be it mundane repetitive work. I learn the ability to be humble and unflinching under pressure from you. There is always one person which people lean on when it comes to crucial situation and you are that one person in our team!! Keep up the great work!!

Thank you for Living Cisco!
