LivingCisco

Where appreciation is a habit

This token was passed by **Keerthi Basireddy** in appreciation of **Magesh Srinivasan** for living one of Cisco's principles, **Give your best.**

19th November 2020

I really appreciate your dedication towards work. The amount of effort you put to complete any task is amazing. You bring new ideas to team, put extra hours and work beyond your limits. Always humble and responds even under pressure. Thanks for all the times you helped me whenever am struck in work. You are the best !!

Thank you for Living Cisco!
